### *A Special Holiday Wish From Corey & Doug Marshall-Steele...*

**Hi everyone -**

Those opposing **gay civil marriage** claim their interest is in "protecting" straight marriage but they are self-deceived at best or knowingly dishonest at worst. The proof is, these same groups and individuals have already snarlingly fought anti-discrimination and **hate crimes** law covering **sexual orientation**. They in fact have opposed anything which would protect the lives and welfare of or give **dignity** to gay American citizens. Whatever they say, they are not **pro-marriage** or **pro-family** as much as they are anti-gay.

Gay people can be dishonest also, remaining closeted and trying to slouch through life **pretending to be straight**. In that scenario one's spouse becomes a mere "friend" or "room-mate" and must be left home from family and social functions. Gay marriage is unimportant to such **self-loathing** and dishonest types.

Our **holiday wish** list contains two items this year. One is that those opposing gay marriage would just be **honest** enough to admit they are actually **hate-driven**. The other is that **closeted gay people** will find the **integrity** to come out and help us fight for **gay civil marriage** and other **civil rights**.

**Toward equality,**  
Messrs. Douglas & Corey Marshall-Steele
